

SOLID WASTE FACILITY PERMIT

1. Facility/Permit Number:

10-AA-0013

2. Name and **Street** Address of Facility:

Orange Avenue Disposal Service, Inc.
3280 S. Orange Avenue
Fresno, California 93725

3. Name and **Mailing Address** of Operator:

Orange Avenue Disposal Service, Inc.
3280 S. Orange Avenue
Fresno, California 93725

4. Name and **Mailing Address** of Owner:

Orange Avenue Disposal Service, Inc.
3200 S. Orange Avenue
Fresno, California 93725

5. Specifications:

a. Permitted Operations:

- | | | | |
|-------------------------------------|---------------------------------------|--------------------------|-------------------------|
| <input type="checkbox"/> | Composting Facility
(mixed wastes) | <input type="checkbox"/> | Processing Facility |
| <input type="checkbox"/> | Composting Facility
(yard wastes) | <input type="checkbox"/> | Transfer Station |
| <input checked="" type="checkbox"/> | Landfill Disposal Site | <input type="checkbox"/> | Transformation Facility |
| <input type="checkbox"/> | Material Recovery Facility | <input type="checkbox"/> | Other: |

b. Permitted Hours of Operation: Monday through Friday, 8:00 a.m. to 4:30 p.m., and Saturdays, 8:00 a.m. to 12 p.m. The site is closed on Sundays and major holidays. Additional hours as referenced in the facility's Environmental Impact Report and Report of Facility Information can be allowed with prior approval from the Enforcement Agency.

c. Permitted Tons per Operating Day:

	Average Daily:	200	Tons/Day
	Peak Daily:	400	Tons/Day
Non-Hazardous - General:		400	Tons/Day
Non-Hazardous - Sludge:		0	Tons/Day
Non-Hazardous - Separated or commingled recyclables:		400	Tons/Day
Non-Hazardous - Other (See Section 14 of Permit):		0	Tons/Day
Designated (See Section 14 of Permit):		0	Tons/Day
Hazardous (See Section 14 of Permit):		0	Tons/Day

Key Design Parameters (Detailed parameters are shown on site plans bearing Enforcement Agency and California Integrated Waste Management Board validations):

	Total	Disposal	Transfer	MRF	Composting	Transformation
Permitted Area (in acres)	38.73 a	28.2 a	None	None	None	None
Remaining Capacity		527,965 cy	None	None	None	None
Max. Elevation (FL MSL)		405 ft				
Max. Depth (FL MSL)		265 ft				
Estimated Closure Date		March 2005				

Upon a significant change in design or operation from the described herein, this permit is subject to revocation or suspension. The attached permit findings and conditions are integral parts of this permit and supersede the conditions of any previous issued solid waste facilities permits.

6. Approval:

Gary M. Carozza, Director
Department of Community Health

7. Enforcement Agency Name and Address:

County of Fresno
Department of Community Health
Environmental Health System
1221 Fulton Mall, Third Floor/P.O. Box 11867
Fresno, California 93775

8. Received by CIWMB:

AUG 7 1998

9. CIWMB Concurrence Date:

10. Permit Review Due Date:

11. Permit Issued Date:

SOLID WASTE FACILITY PERMIT

Facility/Permit Number:

10-AA-0013

12. Legal Description of Facility: The Southwest Quarter of me **Northeast** Quarter of **Section 26**. Township 14 South. Range 20 **East**, Mount Diablo Baseline and Meridian (**MDB&M**).

13. Findings:

- A Countywide Integrated Waste Management Plan has been approved by the **California Integrated** Waste Management Board for **Fresno County**.
- This facility is identified in me Countywide Siting **Element** and **this** permit is **consistent** with the County Integrated Waste Management Plan. Public Resources Code, Section 50001(a)(l).
- This permit is consistent with standards adopted by the California integrated Waste Management Board. Public Resources Code, **Section 44010**.
- The design and operation of **the** facility is in **compliance** with the State Minimum Standards for Solid Waste Handling and Disposal as determined by the Enforcement Agency. A **pre-permit** inspection was conducted by **the California** integrated Waste Management **Board** on July 1, 1998.
- The **Enforcement** Agency finds that based on an **inspection** report dated May 20, 1998, from the California Regional Water Quality **Control** Board, **Central Valley** Region. the **applicant** is **operating** within the parameters of all Waste **Discharge** Orders (see Section 15).
- An **environmental** determination (i.e., Environmental Impact **Report**) was filed with the **Fresno** County Clerk on February 11, 1998, and me environmental document was circulated **through** me State Clearinghouse (SCH No. **94052068**) for all facilities which are not exempt **from** me California Environmental Quality Act (**CEQA**) and **documents pursuant** to Public Resources Code. Section 21081.6.
- The Enforcement Agency **certifies** that **the** solid waste facilities permit application package is **complete** and **correct pursuant** to Title 27. California Code of Regulations **Section 21650(f)(3)**, and that the Report of **Facility** Information meets the requirements of **Title 27**, California Code of Regulations, **Section 21600**.

14. Prohibitions:

The **permittee** is prohibited from open burning; scavenging; and accepting any liquid waste, designated waste, or hazardous **waste unless such** waste is **specifically listed** below and unless the acceptance of such waste is authorized by **all applicable** permits:

Temporary storage of hazardous waste inadvertently delivered and detected in the hazardous waste screening/exclusion program, asbestos (non-friable).

The **permittee** is additionally prohibited from accepting for **disposal** the following items:

Dead animals, infectious waste, hot or burning materials or wastes, asbestos (friable), and metallic discards (except in accordance with PRC, Section 42170 et seq.).

15. The following documents also describe and/or restrict the operation of this facility:

SOLID WASTE FACILITIES

Facility/Permit Number:

10-AA-0013

7. Enforcement Agency Conditions: [NOTE: Enforcement Agency conditions listed here shall be in addition to conditions of other documents controlling operation of this facility.]
1. This permit supersedes all other Solid Waste Facility Permits previously issued for this facility.
2. The facility is permitted to receive the following nonhazardous solid Wastes: construction/demolition, industrial, mixed municipal, tires and wood mill.
3. The operator shall comply with all State Minimum Standards for Solid Waste Handling and Disposal as specified in Title 27, California Code Of Regulations. The operator shall not operate this facility without possession of all required permits/regulatory approvals. The operator shall inspect the site at least once each day of operation to ensure compliance with all applicable standards/conditions/mitigations/permits/regulations.
- The operator shall comply with all federal, state and local requirements and enactments including all mitigation and monitoring measures developed in accordance with any certified environmental document filed pursuant to Public Resources Code, Section 21081.6, and all administrative/enforcement orders of all regulatory agencies with jurisdiction at this facility.
- The operator shall maintain a complete copy of: this Solid Waste Facility Permit and the approved Report of Facility Information, all other required regulatory permits and all regulatory inspection reports; at the facility at a location readily accessible to facility personnel, Enforcement Agency staff and other regulatory personnel.
- Additional information concerning the design/operation of this facility shall be furnished upon request to the Enforcement Agency and other regulatory agencies.
- The operator shall notify the Enforcement Agency in writing (with proposed amendments to the Report of Facility Information), at least one hundred fifty (150) days in advance of proposed changes, in the design/operation of the facility to allow for early consultation, completion of all required documents/due process review/filing and the completion of all related permitting processes. Such notification shall include changes (including new additions) of: processing/composting/baling/materials recovery facility (MRF)/transfer station and/or transformation facility, changes in permitted hours/days of operation, permitted tons/day per category, permitted total area, disposal footprint, maximum elevation, maximum depth of waste, and/or estimated closure year which may be later proposed for this facility.
4. Any owner or operator of this facility who plans to encumber, sell, transfer, or convey the ownership or operations of the facility to a new owner or operator, shall notify the Enforcement Agency and the California Integrated Waste Management Board, forty-five (45) days prior to the anticipated date of transfer.
- The Enforcement Agency reserves the right to suspend and/or modify operations at this facility when deemed necessary due to any emergency, potential health hazards, and/or public nuisances.
- This Solid Waste Facility Permit is subject to review by the Enforcement Agency and may be suspended, revoked or modified at any time for sufficient cause.
5. As outlined in Section 16 of this Solid Waste Facility Permit, the operator shall maintain at the facility, accurate daily records of the tonnage/day and number of vehicles/day per incoming solid waste; and an estimate (by weight, volume or count) of the total amount of recovered material (per category) stored on-site for brief periods of time. Such records shall be readily accessible at the facility to the Enforcement Agency/other regulatory agencies.
- As outlined in Section 16 of this Solid Waste Facility Permit, the operator shall furnish a written summary of all written complaints (including all regulatory notices such as: Notices of Violation, Notice and Orders, Clean-up and Abatement Orders) concerning the facility received by the operator during a quarter, and the operator's responses/corrective actions taken, to the Enforcement Agency within fifteen (15) days of the end of each quarter.
6. As outlined in Section 16 of this Solid Waste Facility Permit, the operator shall maintain at the facility, a log of special/unusual occurrences (S/U O). The log shall include, but not be limited to: fires, explosions, discharges of unusual waste, significant incident of personal injury, accident and/or property damage. Each log entry shall be accompanied by a summary of the responses/corrective actions taken by the operator to mitigate any negative impacts of each occurrence. Days without incidents of S/U O shall be noted with an appropriate negative entry for such days, such as: "No S/U O today". The operator shall maintain this log at the facility in a manner readily accessible to facility personnel, Enforcement Agency staff and other regulatory personnel. A written summary of the log entries during a quarter shall be furnished to the Enforcement Agency within fifteen (15) days of the end of each quarter.
7. The operator shall maintain an Enforcement Agency approved hazardous/prohibited waste screening/exclusion (load checking) program at the facility which will adequately protect public health and the environment from illegal on-site disposal of hazardous/prohibited wastes.
8. The operator shall comply with the requirements of all applicable laws pertaining to employee health and safety including maintaining an up-to-date written CAL-OSHA Injury and Illness Prevention Program (IIPP) - (pursuant to Title 6, CCR). Such information shall be readily accessible at the facility for review by all facility personnel, Enforcement Agency staff and other regulatory personnel. The IIPP shall include a comprehensive training plan, availability of all necessary on-site work/protection/safety equipment, and adequate on-site first aid supplies. Whenever personnel are at the facility they shall have immediate radio and/or telephone access to a 911 emergency dispatcher.
9. All refuse shall be covered at the end of the operating day with a minimum of six (6) inches of soil, or Other Enforcement Agency approved Alternative Daily Cover (AOC), e.g. chipped and ground green material.

SOLID WASTE FACILITIES PERMIT

Facility/Permit Number:

10-AA-0013

17. **Enforcement Agency Conditions:** [NOTE: Enforcement Agency conditions listed here shall be in addition to conditions of other documents controlling operation of this facility.]
- a. This permit supersedes all other Solid Waste Facility Permits previously issued for this facility.
 - b. The facility is permitted to receive the following nonhazardous solid wastes: construction/demolition, industrial, mixed municipal, tires and wood mill.
 - c. The operator shall comply with all State Minimum Standards for Solid Waste Handling and Disposal as specified in Title 27, California Code of Regulations. The operator shall not operate this facility without possession of all required permits/regulatory approvals. The operator shall inspect the site at least once each day of operation to ensure compliance with all applicable standards/conditions/mitigations/permits/regulations.
 - d. The operator shall comply with all federal, state and local requirements and enactments including all mitigation and monitoring measures developed in accordance with any certified environmental document filed pursuant to Public Resources Code, Section 21081.6, and all administrative/enforcement orders of all regulatory agencies with jurisdiction at this facility.
 - e. The operator shall maintain a complete copy of: this Solid Waste Facility Permit and the approved Report of Facility Information, all other required regulatory permits and all regulatory inspection reports; at the facility at a location readily accessible to facility personnel, Enforcement Agency staff and other regulatory personnel.
 - f. Additional information concerning the design/operation of this facility shall be furnished upon request to the Enforcement Agency and other regulatory agencies.
 - g. The operator shall notify the Enforcement Agency in writing (with proposed amendments to the Report of Facility Information), at least one hundred fifty (150) days in advance of proposed changes, in the design/operation of the facility to allow for early consultation, completion of all required documents/due process review/filing and the completion of all related permitting processes. Such notification shall include changes (including new additions) of: processing/composting/baling/materials recovery facility (MRF)/transfer station and/or transformation facility, changes in permitted hours/days of operation, permitted tons/day per category, permitted total area, disposal footprint, maximum elevation, maximum depth of waste, and/or estimated closure year which may be later proposed for this facility.
 - h. Any owner or operator of this facility who plans to encumber, sell, transfer, or convey the ownership or operations of the facility to a new owner or operator, shall notify the Enforcement Agency and the California Integrated Waste Management Board, forty-five (45) days prior to the anticipated date of transfer.
 - i. The Enforcement Agency reserves the right to suspend and/or modify operations at this facility when deemed necessary due to any emergency, potential health hazards, and/or public nuisances.
 - j. This Solid Waste Facility Permit is subject to review by the Enforcement Agency and may be suspended, revoked or modified at any time for sufficient cause.
 - k. As outlined in Section 16 of this Solid Waste Facility Permit, the operator shall maintain at the facility, accurate daily records of the tonnage/day and number of vehicles/day per: incoming solid waste; and an estimate (by weight, volume or count) of the total amount of recovered material (per category) stored on-site for brief periods of time. Such records shall be readily accessible at the facility to the Enforcement Agency/other regulatory agencies.
 - l. As outlined in Section 16 of this Solid Waste Facility Permit, the operator shall furnish a written summary of all written complaints (including all regulatory notices such as: Notices of Violation, Notice and Orders, Clean-up and Abatement Orders) concerning the facility received by the operator during a quarter, and the operator's responses/corrective actions taken, to the Enforcement Agency within fifteen (15) days of the end of each quarter.
 - m. As outlined in Section 18 of this Solid Waste Facility Permit, the operator shall maintain at the facility, a log of special/unusual occurrences (S/U O). The log shall include, but not be limited to: fires, explosions, discharges of unusual waste, significant incidents of personal injury, accidents and/or property damage. Each log entry shall be accompanied by a summary of the responses/corrective actions taken by the operator to mitigate any negative impacts of each occurrence. Days without incidents of S/U O shall be noted with an appropriate negative entry for such days, such as: "No S/U O today". The operator shall maintain this log at the facility in a manner readily accessible to facility personnel, Enforcement Agency staff and other regulatory personnel. A written summary of the log entries during a quarter shall be furnished to the Enforcement Agency within fifteen (15) days of the end of each quarter.
 - n. The operator shall maintain an Enforcement Agency approved hazardous/prohibited waste screening/exclusion (load checking) program at the facility which will adequately protect public health and the environment from illegal on-site disposal of hazardous/prohibited wastes.
 - o. The operator shall comply with the requirements of all applicable laws pertaining to employee health and safety. Personnel assigned to operate the site shall be adequately trained in subjects pertinent to the site operation and maintenance. A record of such training shall be placed in the operating record. The facility shall maintain a communication system available to site personnel to allow quick response to emergencies.
 - p. All refuse shall be covered at the end of the operating day with a minimum of six (6) inches of soil, or other Enforcement Agency approved Alternative Daily Cover (ADC), e.g. chipped and ground green material.

SOLID WASTE FACILITIES PERMIT

Facility/Permit Number:

10-AA-0013

17. Enforcement Agency Conditions **(continued):**

q. The Enforcement Agency **may grant** an extension of facility business hours **on a case by case basis** upon the **operator's** request if the Enforcement Agency deems the extension necessary to handle emergency disposal situations and the **request is** consistent with the additional hours of operation as referenced in the **facility's** Environmental impact Report and Report of **Facility** information. The **facility** operator must obtain **approval** from the Enforcement Agency prior to **commencing** extended hours of operation. Extended hours of operation must be **documented** and **filed** in **the** operating **record**.

r. Storage of waste **tires** must be in accordance with all applicable laws, regulations, local ordinances, and Waste Tire Storage and Disposal Standards pursuant to **Title** 14, Chapter 3, **Article** 5.5 of the California Code of Regulations.
